

YOUR ASTROLOGY STARTING POINT

Discover Your Big Three

Your Sun, Moon, and Rising signs are three different doorways into the same person. Use these pages to meet each layer, then read them together as one story.

SUN

YOUR CORE IDENTITY

The qualities you are here to embody and express with confidence.

MY SIGN

MOON

YOUR EMOTIONAL WORLD

What helps you feel safe, nourished, understood, and restored.

MY SIGN

RISING

YOUR WAY OF MEETING LIFE

Your first impression, natural approach, and the doorway into your chart.

MY SIGN

INTEGRATE THE LAYERS

Tell the Whole Story

A chart becomes meaningful when you stop reading each placement in isolation. Reflect on how your three energies support, surprise, and challenge one another.

WHAT FEELS MOST TRUE ABOUT MY SUN?

WHAT DOES MY MOON NEED TO FEEL SAFE?

HOW DOES MY RISING PROTECT OR REVEAL ME?

WHERE DO THESE THREE ENERGIES AGREE?

My Big Three in one compassionate sentence:
